

Join Fr. Pete for a presentation and discussion about

## *Eucharistic Adoration*

**Monday, November 14 at 7:00 p.m.  
in Meeting Room A of the Parish Center**

Fr. Pete will explain the origins and development of this devotional practice and explore its use today, in the Post-Vatican II Church. Those present will also be invited to share their personal experiences of Eucharistic adoration.

To prepare for the discussion, please reflect on your own experience of prayer before the Blessed Sacrament and consider the following questions:

1. How have you felt Christ's presence while praying before the Blessed Sacrament?
2. How do you like to pray before the Blessed Sacrament?
  - What forms of prayer do you use?
  - What materials, if any, do you utilize?
  - Is it always the same, or does your way of prayer vary?
3. If you have participated in Eucharistic adoration in different settings, how has your experience varied according to who was present? For example, consider instances when you were:
  - alone before the Blessed Sacrament
  - with one or two other people
  - gathered with a large group of people, as at a retreat
