The Food Pantry Transport team members load the parish donations of food and monetary donations into vehicles for delivery to the Food Pantry at Albright United Methodist Church, 504 W. Mishawaka Ave. across from Battell Park. Angie Kindig graciously uses their truck each month to load and transport the donations. Angie pulls the truck up in front of church at 10:45 a.m. before the 11:00 am Mass to load the food donations. and checks for any monetary donations located in a box just inside the main vestibule. They wait to make sure they get donations from any parishioners who come a little late. The delivery is then made to Albright Church at approximately 11:30 a.m. Someone from the Albright church meets you there to unlock the doors. The donations are then loaded into grocery carts and taken into the pantry.

If there is no one at the church when you make the delivery, call these persons in the following order:

Alice Anderson
Sheila Swinehart

It is our mission to help feed the hungry. Thank you for helping to achieve this mission.
