The Food Pantry Transport team members load the parish donations of food and monetary donations into vehicles for delivery to the Food Pantry at Albright United Methodist Church, 504 W. Mishawaka Ave. across from Battell Park. Angie Kindig graciously uses their truck each month to load and transport the donations. Angie pulls the truck up in front of church at 10:45 a.m. before the 11:00 am Mass to load the donations. After 11:00 a.m. Mass, the team checks for any other donations. There is a box just inside the main vestibule for monetary donations that must be checked before leaving. Someone from Albright Church will be there to let you in. The donations are then loaded into grocery carts and taken into the pantry.

The asterisks (\*) denote Team Captain. If you are unable to make it on an assigned date, please phone your Captain as soon as possible so that they can make arrangements for additional help if necessary.

It is our mission to help feed the hungry. Thank you for helping to achieve this mission.
